ABSTRACT

This bibliography lists resources concerning divestiture by major oil companies. Materials provided in the first section are classified by topic and by position on the matter of divestiture and include government documents, sections of the "Congressional Record," the proceedings of congressional hearings, and information from the American Petroleum Institute. A separate section cites magazine and newspaper articles; books, reports, and additional congressional hearings are listed under another heading. Information about availability is given for this last category. (KS)
